Code Enforcement

As summer continues you will notice the familiar garage/yard sale signs throughout the City. In the City of Conover, garage and/or yard sales are regulated. The City of Conover Code of Ordinances can help clarify the regulations.

Sec. 13-19. - Garage, yard, etc., sales regulated.

Garage, yard, patio, and apartment sales are permitted as accessory uses within the city. Such sales shall be limited to two (2) during each calendar year period, for a maximum duration of two (2) consecutive days per sale. All apparatus, racks, shelves, tables, signs and other appurtenances associated with sale shall be removed the same day as the sale.

As a reminder, signs may not be attached to any public utility pole. This ordinance is effective citywide especially within developed areas. This ordinance was adopted in part to help maintain the health and appearance of the City.
